

SEARCH TO SUCCESS:

Turning CrimeSolutions Insights into Action

NATIONAL INSTITUTE OF JUSTICE | Crime SOLUTIONS

1 IDENTIFY COMMUNITY NEEDS

Determine, define, and prioritize specific challenges faced in the community. Narrow the scope of focus to target critical aspects of the issues.

2

NEEDS ASSESSMENT & RESOURCE REVIEW

Gather current data, outline available resources, and engage with stakeholders to identify gaps and set priorities for action.

3

SEEK POTENTIAL INTERVENTIONS WITH *CRIMESOLUTIONS*

Search crimesolutions.ojp.gov for potential programs. Filters for topic, program type, target population, setting, geography, & rating.

4

ALIGN PROGRAMS WITH GOALS

Evaluate potential programs to determine if they align with available resources, staffing, and infrastructure.

5

EXPLORE RESEARCH PARTNERSHIPS

Outreach to local universities or researchers to discuss program guidelines and protocols to ensure the implementation of the intervention goes as planned.

6

IMPLEMENTATION & MONITORING

Launch the program, continuously monitor performance using data, and make adjustments to enhance the program's success.
